

Van Duyne Law Group - October 26th HOA Luncheon Series

Introducing James Gibson, managing Partner for the HOA Board Member Magazine

United States -- Free-Press-Release.com -- Oct 06, 2017 -- Dear Board Members:

I just realized that the 27th is Nevada Day!! Given that some people will be taking off for a long weekend we are moving the lunch meeting to **Thursday October 26th at 1:00 pm**. We hope that will be a better date for everyone.

This luncheon meeting will showcase what James Gibson has been up to lately. He now is the Managing Partner for the HOA Board Member Magazine (a new publication in the Reno Market) that provides a comprehensive resource to HOA community leaders within CA, NV and AZ by directly reaching thousands of Board Members/Decision Makers every month with educational content and advertisements from numerous industry leaders. Additionally, Gibson is now an Insurance Producer specializing in HOA-related insurance needs at the Leavitt Group here in Reno.

Gibson will bring us copies of his new Board publication and give us a run down on his 2017 insurance recommendations for Community Associations.

Please plan on joining us on Thursday, October 26th at 1 pm at Van Duyne Law Group at 1575 Declucchi Lane, Suite 215.

Please RSVP to betty@vanduynelawgroup.com to reserve your place. Remember – sometimes there actually is a "free lunch."
